***Hibbing Church Library Network***

The Hibbing Church Library Network was formed in 1990-91 through the initiation of the Hibbing Public Library. Recognizing that there is a wealth of materials relating to religion and churches in the church libraries in the Hibbing area, the library proposed to catalog the materials for the church libraries for inclusion in the library's catalog. In return the church libraries agreed to share materials to other church libraries and to the Hibbing Public Library.

Members of the Hibbing Church Library Network include:

- [Hibbing Alliance Church](#)
- First Lutheran Church
- [First Presbyterian Church](#)
- [Our Saviors Lutheran Church](#)
- [St. Joseph's Church, Chisholm](#)
- [Wesley United Methodist Church](#)

More than 4,800 titles owned by these church libraries have been cataloged and are searchable in the Hibbing Public Library's catalog.

The church libraries provide interlibrary loan services to all library users through the Hibbing Public Library. The Hibbing Public Library provides courier service to each of the church libraries once a week.

Church librarians and staff members from the Hibbing Public Library meet 2-3 times per year for idea and information sharing.
